TAPI provides numerous education resources to the community. Many of these items are available in PDF form. You can select from the available PDF files below and download them at your convenience.

If you are with a providers office or a community organization and would like immunization resources for your office, you may order a limited number of materials and have them sent directly to you. Our material cost is supported by our general budget so we ask that you **limit your yearly request to 500 per item**. If you are interested in co-branding and/or more customized items and supporting TAPI's printing cost, please contact us.

Please use the **Order Online**. Our materials are per item. Please place the number you are requesting in the Quantity Box (if you would like 50 postcards, place 50 in the Quantity Box). You will then need to click the Update Box prior to moving on to your next order item or prior to check out.

WHAT'S COMING NEXT

- Promote benefits of social distancing for COVID-19
- Prepare for administration of vaccines/therapies to be developed
 - 7 out of 10 say they are willing to get the vaccine, if available
- Practice for COVID vaccine with influenza and other immunizations
- Sponsor a pod with the Health Department
- Be ready to partner with the health departments
