

# Workplace Lactation Support Grant Opportunity

Accepting applications now through May 31, 2019

**UP TO \$1,000 PER WORKSITE**

Are you looking to create or enhance a lactation space at your worksite?

Maricopa County Department of Public Health (MCDPH), in partnership with the Healthy Arizona Worksites Program (HAWP), desires to contract with businesses to create or enhance lactation spaces for nursing mothers employed in their worksites.

This funding opportunity is designed to support MCDPH and HAWP's goal of increasing the number of breastfed babies in Maricopa County.

Who is eligible to apply?

- Any employer in Maricopa County.
